Sir

Ref: Your office No. 1572/STC dated 26/5/57

Pending Current
What is the present stage?

I most humbly beg to submit that under your above cited reference I was favoured with relief grant from the medical after care fund up to August 1957.

My case for further medical after care aid to me was initiated for renewal during August 1957 and the District Medical Officer's recommendation was duly submitted to your office along with other relevant documents at the end of July 1957. Two months are about to elapse since the above submission of papers to your office and nothing further is heard yet about the matter.

I am a leper and hence I receive fresh medical treatment from the Dist. Medical Office I find great hardship to obtain strong diet food for my Consumption during the medical treatment and feel very weak and miserable as I am penniless and cannot also do any sort of work for my livelihood. Moreover no one engages me for work owing to my dreadful disease. There is no one to help me a poor man.

As I have not received any financial aid for the month of September 1957 and October 1957 I am completely in despair.

I therefore pray to kindly arrange to grant me early relief from the Medical after Ca

and help me at this time of my extreme poverty.

For which act of kindness I shall ever remain grateful
